Important Notes...

All students need to ensure that they attend every class in correct full studio uniform.

Hair must be neat and pulled back off the face in either a classical bun (compulsory for ballet) or neat ponytail. Long braids and plaits are highly discouraged in class for safety reasons in technical classes such as jazz, lyrical and acro (hair ties to the eye hurt when turning!) .

Correct dance shoes are compulsory; no jiffies or regular footwear will be allowed. Please do not wear outside/school shoes for Hip Hop.

Fitted dancewear is compulsory; each student must wear the correct GDM uniform items. GDM Hoodies and crossovers are the permitted outer layers for warm up in class. No jackets are to be worn in Ballet classes, crossovers may be worn in cooler weather. Correct uniform also includes ensuring all uniform pieces are regularly laundered, repaired and replaced when necessary. There is to be no watches or jewellery worn during class, with the exception of small studs/earrings, for the safety of all students.

Shoe requirements for ballet exams are different to general concert requirements, and must be purchased from our local Dance Store. Please enquire for more information.
